Report Narrative **This report is a summary.**

I met with Major McCarthy. Major Bibbiano had been communicating with Michael Gantine (a Florida resident) about his son, Jacob R. Gantine, and the son's mother, Michelle R. Watts. Michael Gantine reported the following. He is Jacob's biological father. He was never married to Jacob's mother, Michelle Watts. Michelle had custody and Michael had visitation because he lived in Florida. They have been attending court in DuPage County Court since 2009 (2009F00143) regarding parentage issues. Michelle had obtained orders of protection against Michael, which had expired. Michelle failed to appear for court proceedings. A Civil Body Attachment for Indirect Civil Contempt was issued for Michelle Watts (██████████). A court order was issued that stated the police "may take possession of the minor J.R.G." and give him to Michael. Michael can remove Jacob from the state. Michelle has apparently taken Jacob and attempted to disappear. This was allegedly not the first time Michelle attempted to disappear. Michael had to hire a private investigator to attempt to locate Michelle and Jacob. The Social Security Administration provided Detective Wayda with information on Michelle and Jacob. On 04-28-15, Michelle applied to have her name changed (██████████) and her Social Security number also. She also applied to have Jacob's Social Security Number changed. On 06-23-16, their identities were changed due to "Harassment/Abuse/Life Endangerment" both parties. Attempts to locate Michelle (██████████) and Jacob have been unsuccessful. Major McCarthy, Sergeant Christiansen and Assistant State's Attorney Deputy Chief Mike Pawl met and discussed the incident. Major McCarthy instructed me to generate a missing persons report for Jacob Gantine. Michelle (██████████) was not to be entered as a missing person, but her information was attached to Jacob's LEADS/NCIC message, so Jacob could be located if Michelle (██████████) was contacted by police. Michael Gantine was not to be advised of the new identities due to the fear of harm by Michael Gantine issue. Jacob was entered into LEADS/NCIC (██████████), with his mother's past and current information attached.

05-20-16, 1439 Hours. I spoke to Michael Gantine. Introductions were made and the incident was discussed. There was no information provided to indicate that Jacob Gantine was endangered. Michael is attempting to get a new court order for the police to take custody of the child.

05-23-16, 1405 Hours. I spoke to Michael Gantine. I asked him where to mail the signature form for the missing person police report and LEADS entry. He asked me to mail it to his business address. Michael advised that the last court appointed therapist appointment was conducted via Skype and was in December 2015. Michael described Jacob as 4'06"/thin/light skin/black curly hair/light brown eyes. Michael's most current photograph of Jacob is from 2012.

05-24-16, 0917 Hours. NCMEC contacted me via phone and email.

05-24-16, 1031 Hours. I called Jacob's court appointed therapist, Dr. Mark Goldstien, and left a voice mail message for him to call me regarding this matter. Dr. Goldstien sent me a text message that said he was busy, but would call me later.

847-272-8504 847-498-8922 Fax

05-24-16, 1112 Hours. Dr. Goldstien left me a message. He advised that he had met with Jacob on two occasions and Michelle Watts once. He described Jacob as a thin light complected African American who was relatively tall for his age with brown hair.

05-24-16, 1201 Hours. Michael Gantine emailed me the following information. Jacob's "grandmother was also living with the mom and her name is Julie, Judy, Judie Bartlett Walton DOB [REDACTED]".

05-25-16. I located a police contact for Michelle Watts, where she reportedly resided at 40 N Tower in OakBrook, IL. Sergeant Christiansen checked the building and spoke to Management, but Michelle Watts did not currently reside there.

05-25-16, 1320 Hours. I called Caroline Teague and Henry Spears from NCMEC and left them voice mail messages.

05-25-16, 1410 Hours. Jacob Gantine was entered into LEADS/NCIC as a missing person.

05-26-16. Computer database searches conducted via names and SS numbers.

05-26-16, 1020 Hours. I spoke to Caroline Teague from NCMEC. I gave her the LEADS / NCIC numbers and Michelle Watts' new name. Teague advised that Michelle Watt's new identity will not be shared with anyone, not even if Michael Gantine contacts NCMEC. This was to ensure that Michelle's new identity was not released outside of law enforcement.

05-26-16, 1043 Hours. I met with Communications Supervisor, J. Bostick. We discussed adding on information to Michelle Watts' warrant entry.

05-27-16. I checked the following addresses for Michelle, Jacob, and Michelle's mother, Julie Walton.

- 3S101 Rockwell Street #755, Warrenville, IL 60555 - It was a Post Office Box.
- 1096 Heritage Hill Drive Unit E, Naperville, IL 60563 - No answer at the door. I ran twelve 10-28s in the parking lot. None of the vehicles registered to Michelle or her mother. Per management, Julie Walton moved out in 2014. Management knows the current resident. I showed photos of Michelle and Jacob. The current resident is not Michelle Watts and she does not have children per management.

06-01-16. I distributed an APBNet Bulletin to all Law Enforcement in Illinois and Wisconsin. I electronically attached it to this report.

06-02-16. I received information via email that Michelle/Lauren and Jacob missed an appointment with Dr. Goldstein at his office on 11-21-15.

06-06-16. I received the signature form from Michael Gantine via mail. Michael indicated on the report that he filed this report

I later provided the above information to Communications Supervisor Bostick for addition to the Missing Persons entry.

07-21-16. Detective Wayda obtained additional information about Julie Bartlett Walton from the Social Security Administration. [REDACTED] The physical address provided was a PO Box in Warrenville, IL. [REDACTED] I later called Jim Oshay at JP Morgan/Chase Bank (312-325-6839).

Report Narrative **This report is a summary.**

01-17-17. No contact from Michael Gantine.

01-17-17. I conducted a routine ACCURINT search for the involved parties. I located an address associated with [REDACTED]. The address is the United States Postal Service Post Office (TX# 425-401-0892). The Unit [REDACTED] is likely a post office box (POB).

01-17-17, 1351 Hours. I called the main [REDACTED] number [REDACTED] and requested an officer go to the [REDACTED] Post Office and ask if [REDACTED] POB is actively receiving mail and is currently paid up. An officer will call me back with any information obtained.

01-17-17, 1459 Hours. [REDACTED] PD Officer Carmen #499 called me. He advised that he went to the [REDACTED] Post Office and the POB was paid up to date. He did not confirm if the box holder was [REDACTED]. I asked who he spoke to at the post office. He advised it was the supervisor (no name obtained). I asked if [REDACTED] PD had any contacts with Michelle Watts or [REDACTED]. Officer Carmen checked their data base and determined that there were no police contacts under either name. Officer Carmen's report number is 17-2930.

01-17-17, 1515 Hours. I called the [REDACTED] Post Office at [REDACTED] and spoke to the Supervisor, [REDACTED]. [REDACTED] confirmed that she spoke to Officer Carmen. I asked Chen if she required a court order or a letter requesting the POB holder's information. [REDACTED] advised that a letter faxed to her at [REDACTED] for the POB holder's information would suffice. I faxed the Postmaster Letter to [REDACTED] at 1533 hours. I electronically attached the Postmaster Letter to this report.

01-21-17. [REDACTED] returned the Postmaster Letter to me via email. She confirmed that mail is being delivered to the target address [REDACTED]. She also provided the POB holder's street address of: [REDACTED]. I confirmed via Google Maps that the address existed.

01-23-17, 0730 Hours. I updated Sgt. Christiansen. We discussed the incident and agreed to the following course of action. A packet of reports and court orders would be prepared and forwarded to an investigator at [REDACTED] PD, so they could attempt to contact Michelle Watts [REDACTED] and provide her with the court orders. They could also check the wellbeing of Jacob Gantine.

Sgt. Christiansen called ASA Roberts and left him a message to call back and discuss the case status. I electronically attached [REDACTED] email/Postmaster Letter to this report.

01-26-17. I spoke to Sgt. Christiansen and learned that ASA Roberts had not responded to the message from 01-23-17.

01-26-17, 1007 Hours. I called [REDACTED] PD and was transferred to Detective Rachael Neff [REDACTED]. I left a message for her to call me regarding this incident or pass on the message to the appropriate investigator. Detective Neff called me back. Introductions were made and the incident was discussed. I advised Detective Neff that I would will email her the case report, photographs, and most recent DuPage County Court Orders. Detective Neff understood that this was a civil case and that the warrant for Michelle Watts had geographical limits of IL and was not enforceable in WA. I asked Detective Neff to attempt to locate Jacob Gantine and check his wellbeing. I advised her that the IL Court Order stated that the police may take Jacob Gantine into custody, but I advised that it was up to them depending on their determination of his wellbeing. She anticipated that the SRO's would check the schools for Jacob Gantine. She would check the apartment building at [REDACTED] for Jacob and his mother. If Jacob is located, they will check his wellbeing and then contact Michael Gantine, so he can come pick up Jacob. They will serve Michelle [REDACTED] with the most current IL

Court Order. I attempted to confirm with Detective Neff they would give custody of Jacob to Michael Gantine, because we would not enforce an out of state civil court order, which did not order us to take custody of the child and give it to Michael Gantine. Detective Neff advised that she would speak to her supervisors about the incident.

I sent an email to Detective Neff and attached the case reports, court orders, photographs of Jacob and his mother, the Postmaster Letter, current LEADS checks on Michelle/Lauren, the NCMEC Bulletin and an APBNet Bulletin.

Detective Neff called me back. A red light camera violation for Lauren Ryan's BMW with [REDACTED] was located. Lauren's address was listed as [REDACTED]. I had previously located that address in ACCURINT, but determined it was a UPS Store. Detective Neff learned that Jacob Tyler Ryan with DOB: [REDACTED] was a student in the Issaquah School District. Detective Neff advised that their legal counsel reviewed the incident and [REDACTED] PD would proceed as follows. [REDACTED] PD will wait for Jacob's mother to drop him off at school and then wait for her to leave. They will take Jacob into protective custody and place him with Child Services, pending Michael Gantine's arrival to take custody of Jacob. They will follow the mother until she stops, notify her that Jacob is in their custody, and serve her with the DuPage County Court Orders. I asked why they would take Jacob into protective custody, if the wellbeing check did not provide grounds for protective custody. Detective Neff advised that they do not want Jacob's mother to disappear with Jacob again after they make contact with her. Detective Neff will contact me after they locate Jacob, so I can call Michael Gantine and get them in contact with each other. Detective Neff asked if there was any reason why Michael Gantine should not be given custody of Jacob. I advised that there were previous police reports in other jurisdictions, with allegations made by Michelle, and Emergency OOP's issued, but Michael was not arrested based on Michelle's allegations. There was no information developed to indicate that Michael was a danger to Jacob. The DuPage County Court ordered Jacob's physical custody to Michael, after being provided with facts by Michelle and Michael.

I updated Major McCarthy and Sergeants Christiansen and Harris.

I emailed Michael Gantine and provided an update. I requested his current contact numbers, so I could reach him immediately if necessary.

Major McCarthy asked me to update DuPage SAO Deputy Chief Mike Pawl. I called Deputy Chief Pawl at 1922 hours and updated him. I advised him that I asked [REDACTED] PD to check the wellbeing of Jacob and serve his mother with our court orders. I explained what [REDACTED] PD's plan was, and I asked him if he had an opinion on their plan to take Jacob into protective custody based on our court order. He advised that the out-of-state jurisdiction [REDACTED] could do what ever they deem appropriate, as long as we have provided them with our reports and court orders. I assured him that the documents had been provided to Detective Neff at [REDACTED] PD.

I updated Major McCarthy and Sergeants Christiansen and Harris again.

01-27-17, 0747 Hours. I left messages for Michael Gantine at both of his telephone numbers.

01-27-17, 0918 Hours. I called Michael Gantine again. He answered and advised that he had been in the hospital and unable to check email or call me. I updated him. He will be available to travel to [REDACTED] if necessary.

01-27-17, 1220 Hours. I emailed Michael Gantine, because I had not been contacted by [REDACTED] PD.

01-27-17, 1328 Hours. I emailed Detective Neff and asked for an update.

01-27-17, 1347 Hours. Detective Neff called me. They located Jacob Gantine at school. The photographs confirmed his identity. Detective Neff met and spoke with Jacob. He was well, and said he was excited to see his dad. His mom had told him that his dad had been going through hard times. Jacob is now in CPS custody. Michelle [REDACTED] had enrolled Jacob in school with a Birth Certificate issued out of Indiana. There was no father listed on the Birth Certificate. Michelle [REDACTED] had signed a document at school, so that Jacob's image could not be used for anything.

Detective Neff advised that Michelle [REDACTED] correct address is: [REDACTED], and she resides there with her mother. Detectives were currently enroute to the address to make contact with Michelle [REDACTED]. Detective Neff advised that she would contact the GAL, Thomas Kenny, and Michael Gantine. I advised Detective Neff that I would contact Michael Gantine, update him, and advise him to expect to be contacted by Detective Neff.

01-27-17, 1358 Hours. I called Michael Gantine and updated him. I reminded him that he needed to comply with the IL Court Order and appear in court with Jacob on 01-30-17. I told him that Detective Neff would be contacting him shortly. Michael sounded overwhelmed with emotion and was speaking so quickly about his travel plans to [REDACTED] that I told him I could not understand everything he was saying. I asked him if he had questions for me. He said no. I told him Detective Neff would be contacting him.

01-27-17, 1400 Hours. I forwarded Michael Gantine's contact numbers to Detective Neff via email. I also emailed Detective Neff's name to Michael Gantine so he would have it.

01-27-17, 1410 Hours. I went to Dispatch and had LEADS [REDACTED] canceled. I later confirmed the LEADS cancellation.

01-27-17, 1423 Hours. I emailed Henry Spears at NCMEC. I advised him of Jacob Gantine's status, and that the Sheriff's Office case regarding NCMEC Case # [REDACTED] was closed. Henry Spears acknowledged receiving the information.

01-27-17, 1424 Hours. I called SAO Deputy Chief Pawl and updated him. He asked me to notify him if anything occurs in court on Monday, 01-31-17.

01-27-17, 1440 Hours. I canceled the APBNet Bulletin.

01-27-17, 1450 Hours. Michael Gantine called me. He advised that he had spoken to Detective Neff and he was on his way to the airport. I reminded Michael again that the IL Court Order instructed him to appear in DuPage County Court with Jacob on Monday, 01-30-17. Michael advised that coming to IL would be very inconvenient for them. He added that his attorney had already spoken to the GAL and the case had been transferred to Florida.

01-27-17. I checked case # 09F143 in the DuPage Circuit Clerk's Database and the status was "closed".

01-27-17, 1554 Hours. Detective Neff called and updated me. [REDACTED] Detectives made contact with Michelle [REDACTED], notified her that Jacob was in CPS custody, and served her with the DuPage County Court Orders. Michelle [REDACTED] made the following statement: We've killed them (meaning Michelle and Jacob) because Michael Gantine is in the Mob, and the police in IL are paid off by the Mob. Michelle [REDACTED] said that she and Jacob were in the "Witness Protection Program" and the FBI is aware of this and should be contacted. Detective Neff advised Michelle that the FBI had been contacted by me, and that NCMEC is run in conjunction with the FBI. So the FBI would not have allowed the NCMEC Bulletin release to the public if she and Jacob were in the witness protection program. Detective Neff asked me if Michael Gantine had a history of violence, was a danger to Jacob, or if he was in the Mob. I explained again, that there were previous police reports in other jurisdictions, with allegations made by Michelle, Emergency OOP's issued, but Michael was not arrested based on Michelle's allegations. There was no information developed to indicate Michael Gantine was involved with organized crime. There was no evidence to suggest that Michael was a danger to Jacob. The DuPage County Court ordered Jacob's physical custody to Michael, knowing all the facts provided by Michelle and Michael. Detective Neff asked me if Michelle/Lauren had a history of mental illness. I told Detective Neff that nothing like that had been discovered during the investigation.

01-27-17, 1635 Hours. I called Detective Davis and acquired GAL Thomas Kenny's telephone number.

01-27-17, 1638 Hours. I called Thomas Kenny's office. He was unavailable, but his office staff was able to confirm that Detective Neff had called with an update. I asked to have the following information provided to Mr. Kenny: That I had instructed Michael Gantine to appear in DuPage County Court on Monday, 01-30-17, with Jacob in accordance with the Judge's Order. That Michael Gantine told me his attorney had already contacted Mr. Kenny and had the case transferred to Florida. I told Mr. Kenny to contact me if any of the information provided by Michael Gantine was incorrect.

01-30-17. I met with Major McCarthy and Sergeant Christiansen and this case was reviewed. I was to attempt contact with GAL Kenny and determine if the case had in fact been transferred to Florida, then contact SAO Deputy Chief Pawl with an update.

01-30-17, 0952 Hours. Attorney Kate Sharp (630-660-3377) called me. She claimed to be Michelle Watts' attorney. She had unsuccessfully attempted to contact Detective Neff. She was now contacting me because she wanted me to tell her what Michelle needed to do now with the warrant, etc. I informed her to go to court, because I did not quash warrants. Sharp began to ask questions about the investigation and how Michelle was located. I explained to her that I did not know who she was and would not discuss the case with her. Sharp asked what she needed to do, to enable me to discuss the case with her. She asked if Michelle signing a document allowing me to discuss the incident would suffice. I told Sharp I would not discuss the case with her. I advised her that the case was a missing person case and it was closed. Sharp advised that Michael was a danger to Jacob and there were four previous OOP's issued against him. Sharp advised that she was going to Kane County on business and then was going to have an Emergency OOP issued on Jacob's behalf against Michael. She said she was going to obtain the reports via the Freedom of Information Act.

I updated Major McCarthy and Sergeant Christiansen.

01-30-17, 1202 Hours. I spoke to Mr. Kenny and we discussed the recent events. He had spoken to Michelle Watts' attorney, Kate Sharp. Sharp had filed for an Emergency OOP, but withdrew it after appearing before Judge Else's court. She will file another motion with the court. I asked Mr. Kenny if Michael Gantine's attorney had spoken to him about transferring the case to Florida. Mr. Kenny said, "That's the first I've heard of that". I asked Mr. Kenny if the civil case will be transferred to Florida because that is where Michael and Jacob will be. He believed that Judge Else will retain the case. I advised him that our missing person case will be closed and asked if he needed anything from DSO. He said no.

01-30-17, 1215 Hours. I updated SAO Deputy Chief Pawl via voice mail. He called back at 1242 hours and was updated.

I will electronically attach Detective Neff's [REDACTED] report to this report when it becomes available.

This incident was administratively closed (9).
